The Gospel of Luke Discussion Questions

1. When Jesus fed 5,000 people, He taught the disciples (and us) to simply give what we have and trust Him to do the rest.

Question: What can you offer to Jesus in faith to spiritually feed those around you?

2. Just before the journey to Jerusalem, Jesus taught His followers about the high cost of discipleship, and then He allowed the 3 to witness His transfiguration.

Question: Can you think of a time when you needed extra encouragement or strength and God pulled back the curtain and let you see Him in a powerful way?

3. We are like the 70 disciples sent out to share the gospel with those around us. We all have a story of how heaven has come to earth in our lives through our story of faith.

Question: What is your testimony of faith in Jesus? Do you believe that Jesus has given you power and authority to share it?

4. We will ALL be given revelation of Jesus, and He continues to reveal Himself to us as we walk out our faith. Luke says that the Jewish leaders missed it—they refused God's offer of salvation in Jesus Christ when they were visited by God Himself (Luke 19:44).

How has God revealed Himself to you lately? How did you respond? What prevents you from recognizing or responding to His revelation?
